Report on FiberWorks 2012 by chairman Sue Moss Sullivan:

FIBERWORKS 2012

Fiberworks 2011 was a roaring success. Our Tulsa members proved they are up to the challenge and scored on all fronts. My grateful thanks to each one for their hard work and dedication. Each year our exhibit grows and we should all be very proud.

IAO Gallery in Oklahoma City will once again host Fiberworks in 2012. Clint Stone, IAO executive director, is happy to host us again and we look forward to working with him.

Our juror has been selected. She is Jeanne Raffer Beck, of Canandaigua NY. Jane Dunnewold, our 2011 juror, highly recommended her. Please check her website to learn more about her and her work: www.jeannebeck.com

Fiberworks opening is scheduled June 15 and will end July 7. The dates for entries, jurying, critique and lecture are tentative as of now. I will finalize these dates soon and let you know.

Please email me if you'd like to help with any of the Fiberworks committees: publicity, award donations, accepting awards, jurying process, installation, events surrounding Fiberworks (critique, lecture, catering, etc.) I certainly need every one's support to help continue our stellar reputation for this outstanding event.

Thanks so much,

Sue Moss Sullivan, chair
